COUNCIL sat till nearly midnight last night, though the business transacted could all have been done in an hour's earnest work. The exquisite and elabor- and crates. ate disquisitions on the precise point at which hairs shall be split and on all the minutia of ash piles, gutters, curbs, sewers, etc., may be immensely entertaining to the eloquent gentlemen who indulge them, but they soon clear the lobby and bore the unfortunate reporters to the last would be heavenly compared with the torture of a three hours' session of Coun-

### Highway Robbery in Ritchie.

To the Editors of the Intelligencer: To the Editors of the Intelligencer:

On last Wednesday, the 2d inst., Mr.
Robert H. Rogers, a purchant of Smithville, this county, was robbed of \$3,050
The particulars, as we learned them, are
as follows: Mr. Rogers started from The particulars, as as follows: Mr. Rogers started from home on the day above specified, with the intention of visiting your city and laying in a new atook of goods, and had in his possession \$3,050. As he was traversing a very lonely part of the road between Smithville and the Ritchie mines, two men stepped out of the brush into the road so suddenly that they scared his horse, which while? In the road with horse, which while? In the road with horse, which whirle? in the road with him, but was instantly caught by two other ruffians who appeared in the road behind him. One of the robbers presented a revolver at Mr. Rogers' head and demanded that he at once surrender his revolver, which he did. They then demanded his money or his life. H more willing to part with the drew a pocket book from his pocket, containing \$50, and gave them, but they knew too well the amount he had and demanded the remainder. The thieves supposing, correctly, that he had the balance of his money in his saddle pockets, took a knife and cut them open pockets, took a knile and cut them open, and there found the money. Mr. R. had it, (the \$3,000.) wrapped up in a piece of paper, and in a silk handkerchief, stored away in his saddle-pockets. The thieves, as soon as they procured the money started to leave, and commanded Mr. D. to sit there on his Mr. R to sit there on his horse three hours, but as soon as the

horse three hours, but as soon as the scoundrels disappeared in the brush, he rode for home at full speed. He then raised a band of men and started in pursuit of the robbers.

The thieves were blacked, but Mr. Rogers has a pretty good idea who they were. They knew all about him, and it is thought that they were either some of his neighbors, or were a band of robbers regularly organized, and the news of Mr. R's departure communicated to them by regularly organized, and the news of all its departure communicated to them by some of his neighbors. The desperadoes should be hung up without law or gospel, whenever caught. Mr. Rogers also lost one silver and one gold watch; the value we did not learn.

THE postmistress at Villa Ridge, Ill., has resigned in order to get married. In her letter of resignation that she sent to the Postmaster General, she remarked that she would rather have one man where she could lay her hands on him when she wanted him than to be handling mail hars irregularly on a small when she wanted him than to be hand-ling mail bags irregularly on a small salary.

PROMINENT ladies of St. Louis are protesting against the continuance of the so-cial evil law now in force in that city. Mayor Brown thinks they are disposed to confine their discussion to one side of the question, and do not listen to what is to be said on the other side.

Zanesville, O., complains of a water-works ring, which has drawn \$100,000, but no water.

### Weather Report. Was Department, Office of the Chief Signal Offices, Washington, D. C., April 8.—7:80 p. m. PROBABILITIES.

The storm centre in the Ohio Valley will probably move Wednesday over the Middle States to the Southern New England. For Wednesday in the South Atlantic States, cloudy and rainy weather. For the Middle States, easterly winds increasing to brisk, with rain. For New England, increasing northeast winds, threatening and rainy weather. For lover lakes, northeast winds, backing to northwest, with rain or snow. For the upper lakes, northerly lyinds with cloudy weather. Cautionary signals continue at Mobile, New Orleans, Milwankee, Chicago, Grand Haven, Destroit, Toledo, Cleveland, Buffalo, and ordered for Rochester, Oswego, New York, Baltimore, Cape May, Noriolk, Wilmington, Charleston and Bayannah.

### American Scamen in Quod at

Hayana. New York, April 8.—Three sailors who deserted the American bark Union at Santiago De Cuba, were picked up by a Spanish steamer and brought back to Santiago and delivered to the Spanisa sautorities for trial, on suspicion that they were endeavoring to joh the insurrectionists. Consul Young demanded the right to be present at their examination by the court martial, claiming that they were American seamen. The Spanish officials denied the right of the Consul to be present, where more has rathered a project against upon he entered a protest against

The Wreck of the Atlantic.

Down Among the Dead.

New York, April 8.—A newspaper correspondent who went down into the wreck of the Atlantic yesterday, says that the hull of the vessel is broken in several places, and that the cargo had broken out, with the bodies of dead mens and women jammed among the cases and crates. Limbs are strewn around, the broken from the bodies by the continual action of the water. At the companion way of the steerage, there are a hundred or more bodies lying in a confused personner are dressed but many are half nude. Children were clinging to mothers and husbands clasping their wives. At the companion way of the steerage, the male passengers, bodies of told men and young were together on the Down Among the Dead. limit of endurance. An hour on the rack old men and young were together on the stairs with distending nostrils, gaping mouths and staring glassy eyes, giving some idea of their horrible death in strugsome idea of their horrible death in strug-gling to gain the deck. In the sleeping departments there were a number of bodies of men with bed clothing strewn among them. Broken stanchions and jagged, splintered wood had torn the tlesh from the faces of many, others were bruised and battered about their beads, which were red and bloody, contrasting horribly with the features of others.

THE INVESTIGATION AT HALIFAX Halifax, April 8.-Mr. Patterson, the burth engineer, who had charge of the ngine at the time of the disaster, testifled to-day that the lowest pressure during the night of the disaster was 30 pounds, which was between 12 and 3 o'clock. This increased, and there was 50 pounds of pressure on the guage at the time she struck. The remainder of his testimony gives the details of what he did after the ship struck. He testified to seeing the engines reversed he steam shut off and the safety valves

opened.

Mr. Brady, the third officer, was recalled and testified to having received a
master's certificate, and had been in command of the steamer sailing out of Liverpool. He said the greatest speed of the
Atlantic under steam and sail was thir-

teen knots an hour. Captain Mulligan, of the steamer Car-Captain Mulligan, of the steamer Carlotts, which runs between Portland and Hallfax, testified that he arrived at Hallfax the night before the disaster to the Atlantic. In the early part of the night the weather was thick, but subsequently became clearer, and he could see lights as entered the harbor. He considers Samburg Light as a treacherous one. As to bro Light as a treacherous one. As to distance, can see it twelve miles on clear nights. Always remains in the pilot house after sighting Sambro Light, till reaches Halifax. Adjourned until Tues-

Heavy Rains Throughout the Wes --Great Flood in the Mississippi and its Tributaries Apprehended.

ST. Lours, April 8.—After almost constant and at times heavy rains since Sunday evening, there is now a prospect of clearing weather. The rain has been general throughout the West and high water in all the rivers is anticipated. The Michael at this point has riven nearly Mississippi at this point has risen nearly ten feet since last Saturday and to-day has welled at the rate of three inches per hour. The rise was so rapid last night that a large amount of freight on the levee, that a large amount of freight on the levee, including grain, flour, sugar, pork, bulk meats and miscellaneous merchandise was submerged, and although a large force of laborers have been diligently employed all day endeavoring to save the property, much of it will be lost. Five empty barges belonging to Brown of Pittsburgh, were award away from South St. Louis barges belonging to brown of Fittsburgi, were swept away from South St. Louis last night, and two coal barges which broke loose from the same point above, came down to-day, and lodged against one of the bridge piers. Accounts from the interior of this and other States say that all the tributaries of the upper rivers are pourize out great volumes of water.

and a general freshet is feared. The Il-MR.A. T. STEWART, of New York, during the past two weeks has not left his bed. The nature of his disease is kept a secret, though it is thought to be Bright's disease of the kidneys. Saturday his condition was critical. rose 11 feet in 12 hours, and at other points a similar rise has taken place. It is feared that there will be a gret destruction of property all along the western and northern rivers.

### CONNECTICUT ELECTION.

House.

Returns from every town in the State give Haven Republican 39,000; Ingersoll Democratic 44,000; Smith Temperance 2,001; Ingersoll majority 3,009. In the first Congressional district, Gen. Hawley Republican is reelected by 1,332 majority. In 2nd district Kellogg, Republican is reelected by 857 majority. In 3rd district Starkweather, Republican is reelected by 1521 majority. In 4th district Rarnum Starkweather, Republican is reelected by 1,521 majority. In 4th district Barnum, Democratic is elected by 1,440 majority. The Republicans have a majority of one in the State Senste, and the Democrats a majority of from 13 to 18 in the House.

### WASHINGTON.

WASHINGTON, April 8.-The Treasury who deserted the American bark child a statistic of the Spanish steamer and brought back to Saniago and delivered to the Spanish authorities and delivered to th presented, covering \$6,000,000. them will be rejected on account of insufficient proof. Some \$15,000,000 of the cotton fund remain in the Treasury. The laims being paid are for cotton seized by the government agents after June 20, 1805. The legal tenders outstanding amount to \$358,894,009.
Senator Sumner rides out daily, and

whereupon he entered a protest against the proceedings. The Captain General sent a telegram saying that the Consul had no right to be present. Gen. Torbert, consul General at Havana, has instructed Consul Young not to withdraw his protest, and to insist upon being present at the trial.

Child Murder Confessed.

Dubuque, April 8.—Ursula Spangler, who with her consin, Wm. Riley, was arrested at Nassau Iowa. on Sunday last the spinal golumn.

### NEW YORK CITY.

rder, has had a relapse and is not of mirder, has not a relapse and is now expected to live.

In consequence of the new developments making daily in the affairs of the Bull's Head Bank, the examination of William H. Merritt, the assistant cashler, charged with embezzling \$200,000 of the football the bank has been postground.

funds of the bank, has been postponed.

James Julian, a broker at No. 9 New street, gave bonds in the sum of \$10,000 yesterday, to answer the charge of fraudulently retaining \$10,000 in gold belonging to James M. Dixon. No receipts or youchers are attached to Dixon's affidavit, and his only witness to the alleged deposit and his only witness to the alleged deposit nev is Chilley Stanley alias Daof the money is Chilley Stanley and Da-vid D, Wright, now under indictment for forging certificates of the Toledo, Wabash & Western and Pittsburgh, Fort Wayne & Chicago Railroad bonds, and counter-feiting revenue stamps. The Notary Pub-lic before whom Dixon made his affida-nts of the counsel of the co

the Board of Aldermen to sue for the re-covery of \$500,000 of court house lunds, traced to a private bank account, as al-leged by one of the Commissioners of New York.

New York.

The men of the Manhattan Gas Company are expected to strike to-day. Adam Keesle and John Bronich, non-strikers, were followed into a street car last eve, and brutally beaten. In view of this strike in this city, Brooklyn is making inquiry into the teasibility of the city furnishing its own gas. The city car conductors are to strike May 10, for 8 hours and \$3 per day. The Mayor promised the tradesimen yeslerday, to look into the 8 hour law and if he could, compel its enforcement in the city works.

The men on the strike at the New York gas company's works, are about to march

as company's works, are about to march the works of the Manhattan company, to induce the workmen there to join them. The strikers are indignant against the Manbattan company, whom they charge with supplying customers of the New York company, by connecting with the pipes of the latter. Large bodies of police have been detailed to protect the men working, from assault, several of whom have been waylaid. Two hundred Germans and Italians are in the New York gas works, receiving orders of the foreman from interpreters, the Germans are the firemen and the Italians helpers. The latter say they will leave inside the works as soon as the strikers get away from outside. induce the workmen there to join them

At the Erie legislative investigation to lay, testimony was given by Jos. Belig-nan and W. B. Chattuck, bankers, to man and W. B. Chattuck, bankers, to the prove that what the company allowed to Birchoffskeen for negotiating the bonds of the company was not excessive. William jority. Hon. M. R. Waite was unanilowed \$30,000 a month from Gould, but could not recollect for what service. H. Chief Research of the Frie Company. N. Otis, Secretary of the Eric Company, N. Ulia, Secretary of the Eric Company, resigned to-day. A. R. McDonough was elected successor to Otis. The resignation of Mr. Hilton, Assistant Vec Preddent, and Mr. White, Assistant Treasurer, were accepted. Mr. Chaunte was appointwicthis Fenniore, of the read.

The older Peter Gilsey, one of the largest real estate dealers in this city, died this morning. He has been sick several months, was a member of the Apollo ocrats, and received the highes

Hail Democrats, and received the induced in mumber of votes of any candidate for Alderman at the last election.

Wm. P. Merritt, assistant Cashier of the Bull's Head Bank, gave ball in \$50,-000, on a charge of embezzling \$200,000 crats of the bull of the formal cashier of the cashier of th 00, on a charge of embe of the funds of the bank. Bleakley is to be tried on the 16th for he murder of his niece.

the murder of his biece.

Josiah Morgan, for the murder of his wife, was to-day sentenced to six years in the State prison.

George F. Ehring was arrested to-day for fatally beating his wife last night.

### Accident to a Coal Fleet.

MEMPHIS, April 8 .- About half past o'clock this morning, a heavily laden model barge in a sinking condition, which had broken loose from some tow, came had broken loose from some low, came down, striking Brown & Jones' coal fleet, moored off Poplar street, breaking four loaded flats and one empty one loose and nearly capelzing the tug U. M. Jones. One coal flat struck the Andy Baum, and Governor Democratic—Legislature
Ditto.

Hantford, April 8.—Ingersoll, for Governor, has a majority in the State of 3,610 over the other candidates. The beneat stand, 11 Republicans to 10 Democrats. It is supposed the Democrats will have a majority of 10 in the Lower House.

Returns from every town in the State give Haven Republican 39,000; Ingersoll Democratic 44,900; Smith Temperance 2,001; Ingersoll majority 38,609. In the first Congressional district, Gen. Hawley Republican is reelected by 1,332 majority. was made fast. Another struck the Julia

Railroad Progress in the Southwest PARSONS, KAS., April 8.—A contract has just been completed to transport from Texas, by the Missouri, Kanass & Texas Railroad, over 100 car loads, or some 900,000 sheep for the New York market. This is a new feature in the Texas trade. This trade and one half miles of your are Thirty-one and one half miles of iron are now laid on the extension of the Missouri, Kansas & Texas Railroad from Sodalia, leaving only 311 willows souri, Kansas & Texas Railroad from Sedalia, leaving only 21½ miles to complete the line. Through trains will run from Chicago and St. Louis to Texas by the 1st of May. New lines of railroads will soon be commenced in Texas and Kansas, and a rapid movement will be made guliward and westward in the latters States.

### Wife Murder at Easton, Pa.

Easton, Pa., April 8 .- A Mrs. Grous mas joeen murded by her husband in Smithtown suburbs at this place. Grouse was areasted. He had been drinking hard, and coming home brutally beat his wife, Grouse's tather interfered and was him-self severely out and beaten. Mrs. Grouse remained insensible until death.

PITTABURGE, April 8.—River declining gradually; 17 feet 2 inches of water in the gradually; 17 feet 2 inches of wasca.

channel. Weather clear and warm.

87. Louis, April 8.—It has been raining all day, but to-night there is a prospect of clearing weather.

CINCINNATI, April 8.—River 29 feet and falling. Weather warm, cloudy and the streams are overflowed. Considerably damage is apprehended in some localities.

ON SUGAR AND MODIFIED TO ORDER AT 18.—But to of the State was the recent rain storms have been the low lands were covered with water and all the streams are overflowed. Considerably damage is apprehended in some localities.

### OHIO ELECTIONS.

New York, April 8.-Nixon, convicted Cincinnati, Columbus and Toledo TOLEDO, April 8.—The election in this city yesterday was warmly contested, and the returns come in slowly. At 9 o'clock this morning but five wards were heard from, indicating the re-election of Jones, remorrat, for Mayor, by a small majori-y. The Council will be Republican, and lost of the Republican city ticket is prob-

ably chosen.
CINCINNATI, April 8.—Ninteen wards complete give Johnston, Democratic candidate for Mayor, 12,726; Davis, Republican, 11,413. The remaining six wards gave Wiley, Democrat, for Secretary of State last fall, a net majority of over 1,300. The balance of the Democratic ticket is probably elected with the exception perhaps of the Proseculing Attorney. tion, perhaps, of the Prosecuting Attorney and City Solicitor. Incomplete returns indicate that the Democrats have a maority of the Police Commissioners.

lic before whom Dixon made his affidative, portry of the Police Commissioners.

OLUMBUS, April 8.—The returns of yesterday's election show that all of the sons of Stanley when the last named, as is alleged, attempted to flood Wall street with lorgad certificates.

Comptroller Bein was instructed by the Board of Aldermen to size for the red that the street with the Board of Aldermen to size for the red that the street with the both elected. The Democrats elected even out of eleven Councilmen. Council seven out of eiven Councilian. Countri now stands Democrats, ten, Republicans, eight, Independent, three. One poculiar feature of the election was the defeat of Theodore Comstock, who has served his ward as Councilian, for twenty years. The ward is strongly Republican, but W. H. Hent Democrat was elected by

The ward is strongly Republican, but W. K. Kent, Democrat was elected by twenty-nine majority.

CINCINNATI, April 8.—All the returns of this city now in except two precincts, which are Democratic, give Johnson, the Democratic candidate for Mayor, 992 majority, Warrenton, the Republican candidate for City solicitor, 479 majority, Merchants the Liberal candidate for Police Lings 1332 majority. Campbell. Police Judge, 1343 majority, Campbell, he Republican candidate for Prosecuting Attorney, 421 majority, Henry Kessler the Republican candidate for Police Com missioner, 418 majority. The Democrats and Liberals have elected the remainder and Liberals have elected the remainder of their ticket by from 500 to 1,200 majority in the State. Circleville elected in Republican Mayor, Constitutional delegate and nearly all their county ticket. The Republican ticket is elected in Shelby county. The Democrats were successful in Dayton, Wooster, Chillicothe, Marion, Crestline, and Middletown. The Independent ticket is elected in Lancaster.

Towns O. Angli 8—The result of

Tolebo, O., April 8 .- The result o sterdays election, was the choice of ones, Democrat, as Mayor, by about Jones, Democrat, as Mayor, by about 200 majority, together with the City Solicitor and Judge of the Police Court. The Republicans elected the Prosecutor of the Police Court, Trustees of Cemeto-

mousty elected to the Constitutional Convention. Scribner, Democrat, gains on Kellogg and may be elected.

OLEVELAND, O., April 8.—Full returns from the city gives Otis a majority of 1,700 for Mayor. The Council will be CINCINNATI, April 8.—Full city returns

dent, and Mr. White, Assistant Treasurer, were accepted. Mr. Chaunte was appointed Chief Engineer of the road.

The McDonald habeus corpus case was before Judge Woodruff to-day, and after counsel for the British Government and prisoner had submitted their points and more about to commence argument, the original papers in the case could not be found, and an adjournment became necessary.

### ST. LOUIS.

### The Projected Railway Down the River.

Sr. Louis, April 8.—A meeting of persons interested in the projected line of railway from here along the western bank of the Mississippi river to points opposite Columbus and Heaman, Reducey, and thence ultimately to Now Orleans, was held last night and attended by prominent representatives of all the river counties of this State through which the road will run. Articles of incorporation were adopted and a Board of Directors elected, ined and a Board of Directors elected, in-cluding Mayor Brown, George R. Taylor, D. R. Samison, Charles P. Choteau and A. Valle of St. Louis, and one from each of the counties on the line of the road. The name of the road is to be the Great Southern Railroad and the capital five millions, length one hundred and sixty miles. Four hundred shares of stock mnes. Four numere sates of social were subscribed on the spot and assurances given that all the counties interested would contribute liberally. Great interest is manifested in the enterprise, and there is not the least doubt that the road will be speedily built.

AFFRAY AT ROLLA.

Poter Blow, nephew of Hon. Henry T. Blow, late United States Miusister to Brazil, was shot three times and severly wounded at the School of Mines in Rolls, Missouri, yesterday, by John W. McCowan. Both young men are students at the School of Mines and the affair grew out of an alteration shout the taking of a gun of an altercation about the taking of a gun from the armory of the school, of which young Blow had charge.

HAIR STOLEN.

The hair store of Mr. Elias, under the Southern Hotel, was burglarized some time yesterday night, of about \$1,000 worth of unmanufactured human hair. The Democrats of Keekuk, Iowa, elected their mayor yesterday.

A heavy rain storm has prevailed here since Sunday night, and much rain has fallen throughout the State. Heavy snow has fallen in various parts of Kansas, and the river here has risen over six feet since Saturday and accounts from the interior.

### CHICAGO.

Accident to a Gymnast-Mysterous

Disappearance.
Ciricago, April 8—While the Leon Bros., gymnastics were performing their double trapese act, at the Nixon Amphi-

double trapese act, at the Nixon Amphiteater, last evening the younger one slipped and fell heavily to the ground, a distance of some 20 feet, striking on his face and right side and fracturing his right thigh near the hip. He is probably disabled for life.

Geo. H. Crain, who has been in business here as a railroad supply agent, and tho appears also to have advertised himself by means of irregular letters to various railroad companies as President of the Memphis & Railegh Railroad Company, requesting passes for himself and other officers is reported to have mysteriously disappeared, leaving some \$3-000 of unpaid bills behind him.

Accounts from the interior of the State and the lower story. A number of barrels were evashed.

## THE FLOODS IN NEW YORK.

Terrible Accident at Rochester-A Falling Wall Precipitates about Thirty Persons into the River--Most of them Drowned. ROCHESTER, April 8.—There is a heave

ROCHESTER, April 6.—Incre is a new y flood in the Genesse. At seven o'clock this evening the waters were within two lect of the high-water mark of 1865, the time of the big flood. Considerable damage has been done all along the river to age has been done all along the river a bridges, &c., and all the railroad lines in western New York suffer considerably. ROCHEFTER, N. Y., April 8.—This evening about 8:30 the foundation wall on the riverside of Front street, of the new city building for the police and fire department, went out when about twenty or thirty nervon were upon it looking at therity persons were upon it looking at the river. It is estimated by an eye-witness that ten or fifteen were carried into the river and swept over the high falls. No names of the lost are yet re-ported. Fire or six are known to have

ROCHESTER, April S—An interview with Mandan Henry Aysner, who was standing near the wall which fell, brings out the fact that there were 25 or 30 persons on the wall and timbers leading therato. He was considerably bruised in cetting out and his conwas saved by Jos. getting out, and his son was saved by Jos Riolestein, who was in the street at the rigiestein, who was in the street at the time. It is known certainly that three persons were alive. No search can be made for the bodies to night. As the news spreads through the city the excilement increases. Mr. Potter who was a foreman on the work says he saw there was great on the work says he saw there was great danger of the wall being swept out, and he advised, and even begged the people to get off. He appealed to the watchman of the building to drive the people away, but he refused, except to keep boys off. Mr. Potter gave up in despair, and had just reached the sidewalk, when a crash occurred. He turned to hear the cries of the unfortunate but was cries of the unfortunate; but owerless to save any of them. If the vall has not been washed to the rock wall has not been washed to the rook when the waters subsides, there is a chance that most all of the dead will be recovered, as it is though they rell in the basement of the building, as the curren now sets toward the street. Advices from Avon show the river to be still rising there, and we shall have higher water here. What the result will be, a ew hours will determine.

THIRD DISPATCH. Reports begin to come in giving the names of those supposed to be lost, but here is no certainty that they are correct A man who was standing on the Central Railroad bridge says he saw a boy with one arm over a plank pass under the bridge and go over the talls. The num-ber at this hour known to have got out

alive is five.

Word has just been received at police headquarters that aid is needed to remove the people from the bouse in Exchange street, near the Eric Hallroad depot, the houses there being inundated.

Norwich, April 8.—The Chenang river is very high, and travel is entirely interrupted on the New York & Osweg midland Railroad. Some portions of the track are from 3 to 4 feet under water.

### PHILADELPHIA.

PHILADELPHIA, PA., April 8 .- Andrew

PHILADELPHIA, PA., April S.—Andrew Higgins, a boatman, while placing stolen iron under the Knickerbocker ice company's pier, this morning, was caught by the shafting and killed.

The United States Benate Special Committee appointed to investigate the difficulties between the Postoffice Department and Railroad Companies, met in the 5th and Railroad Companies, met in the 5th Avenue Hotel, this afternoon. Isaac Hinckley of the Philadelphia, Wilming-ton & Baltimore Railroad, appeared in on & Baltimore Railroad, appeared it pehalt of the Railroads, addressed the Committee, using arguments previously advanced by the Companies.

THOS, HORNBROOK. C. P. Hornbrook will be in charge. mar20 A WANT SUPPLIED.

To supply a want felt for a real genuine good article of Soap at a rossonable price, the undersigned is now manufacturing such an article, as all testify who have seen and used The Favorite Soap,

Manufactured by E. REID, Wheeling, W. Va I claim that it cannot be excelled, 1st, In purity and quality; Sd, In coconony, because it is firm and hard as soon as made and will not shrink when exposed to the atmosphere, like most scape do. It will therefore wash half as much more as the scape now in market at the same price; Sd, For perfection in washing. You must wash with a pure, clean scap, or you cannot have clean, while colubes. Dee Des Forovite Scop and you will have no more trouble getting your clothes white and faultiese, and guarantee that it will not injure the akin or the most deficient faories. Act, I claim for it an advantage of the core of 10 hours which you will be reserved as the state of the scope are rendered ascientially. Please enquire of your rendered ascientials, Please enquire of your recer for the Favorite Scop, and you will be convisced that it is the best.

Caurion.—Each hat is stamped "Miners' and Machales' Farovite Scop, and "Miners' and Machales' Farovite Scop, manufactured by X. Estel. Wheeling, W. Va."

Manufactured and sold at wholesale by EDWARD RED.
